## Falls Are Preventable!

# HOME S.A.F.E.

**CED NETWORK**  
Connect, Empower, Deliver

An Evidence-Based Falls  
Prevention Program:  
Saving Lives, Saving Money, and  
Ensuring Seniors' Dignity and  
Quality of Life

Initiative  
LED BY NCACDC

## What is Home S.A.F.E.?

- **Home S.A.F.E.**—A comprehensive, statewide Senior Home Safety Assessment and Modification program
- **Goal**— to prevent the risk of in-home falls by senior adults through increasing their awareness, knowledge and access to evidence-based home safety measures that reduce hazards, decrease life threatening injuries and saves millions in associated costs.
- **Led by**— the North Carolina Association of Community Development Corporations (NCACDC) and the CED Network, an integrated coalition of community-based service delivery organizations, in partnership with USDA Rural Development and NC AARP.
- **Phase 1**— counties to be served: Brunswick, Pender, Columbus, Bladen, New Hanover, Hoke, Montgomery, Scotland, Richmond, Robeson, Western Cumberland, Moore, Wilson, Greene, and Tyrell County.

## The Challenge: Falls for Older Adults Are Common.

- Every 13 seconds, an older adult is treated in the emergency room for a fall;
- Every 20 minutes, an older adult dies from a fall ;
- 908 NC residents lost their lives due to falls in 2011.
- Falls in 2011 resulted in 193,000 emergency department visits in N.C

## Falls Are Costly.

- In 2013, the total cost of fall injuries was \$34 billion (78% paid by Medicare)
- Falls cost NC residents more than \$806 million in hospital charges with an average charge of \$32,000.
- Falls without injury can cause fear of falling, leading to physical decline, depression and social isolation

## The Solution: Home S.A.F.E.

- Education and awareness campaign
- In-Home Safety Assessments with written recommendations
- Financial Resource Information and Guidance
- USDA 504 Loan/Grant Packaging
- Selection Oversight and Assistance in identifying reputable contractors
