HOME S.A.F.E.

An Evidence-Based Falls Prevention Program:
Saving Lives, Saving Money, and
Ensuring Seniors' Dignity and Quality of Life

- 1 in 3 seniors aged 65+ falls each year
- Every 13 seconds, an older adult is treated in the emergency room for a fall
- Every 20 minutes, an older adult dies from a fall

- In 2013, the total cost of fall injuries was \$34 billion (78% paid by Medicare)
- This total cost may reach \$67.7 billion by 2020
- Even falls without injury can cause fear of falling, leading to physical decline, depression and social isolation
